

Components of the Joyce Epstein Family Program Parent Engagement

- 1. Parenting:** Establishing a positive home environment to encourage success.
- 2. Communicating:** Continuous information between home and school about curriculum and student programs.
- 3. Volunteering and Supporting School Programs:** Encouragement of parents to support from the school.
- 4. Learning at Home:** Families providing assistance with learning activities with support from the schools.
- 5. Decision Making:** Active parental and family involvement at all levels of school from the schools.
- 6. Collaborating with the community:** Dissemination of information of an available network of community resource to assist parents and schools to support learning.
